How Watch Cases are Made.

Most persons have an ambition to carry a gold watch case, and yet few people know how a watch case is made, or the vast difference in quality of them. In our Gold Watch Case, aside from the necessary thickness for engraving and polishing, a large proportion of the metal is needed only to stiffen and hold the engraved portions in place, and supply strength. The surplus is not only needless, but undesirable, because gold is a soft metal and cannot furnish the stiffness, strength and elasticity necessary to make the case permanently strong and close-fitting. The perfect watch case must combine gold with some metal that will supply that in which the gold is deficient. This has been accomplished by the *James Bond Gold Watch Case*, which has the waste of needless gold, and INCREASES THE SOLIDITY AND STRENGTH OF THE CASE, and at the same time reduces the cost ONE HALF.

—There must have been some pretty bad boys at the soldiers reunion at Columbus Grove the other day. The Ottawa Standard has advertisements of three pocket books that were stolen, and a notice of a fourth one that was found after its contents had been rifled. Evidently the pick pockets kept in their work. It is said there were thirty-two pocket books stolen.

—And still they come! Ladies' and Misses' Gowns in immense lots. Our stock is no larger than ever. Low prices move them off.

NEUMAUER BROS., Toledo, O.

—Court adjourned on Saturday last for one week's vacation and will be convened again next Monday. The business of the session is dragging somewhat owing to several tedious jury trials. Jim Shepherd and Frank Stoll were both indicted for removing coupling pin from a freight train on the C. & W. T. & R. R. So it seems that our information was erroneous in the arrest of Shepherd last week, for being implicated in the robbery at Grand Rapids a year ago.

—In traveling through Montgomery, Preble and Butler counties, this State, and Wayne county, Indiana, on the first of the week, we observed that the crop of wheat now in the ground never looked more promising. The same holds good so far as observed in every field and the growth vigorous and healthy. The next harvest is some doubtless a splendid one, and the promise is cheering. The corn crop south and west of Dayton is a good average yield.

LATEST BY TELEPHONE.

The Perryburg lawyers are home this week rustinating and preparing papers in new cases.

Mr. Henry H. Obinger arrived at home on Sunday evening, after a several months stay in St. Louis.

Mr. John L. McColl, of Tontogany, started last week for Orange county, Florida, where he expects to spend the winter.

Mrs. McColl will join him in December.

Mr. N. C. West was on town yesterday, having passed over the stone pike and made his monthly settlement with the gate keepers. He reports the road in good condition.

Mr. J. McCreary, business manager of the Toledo Lightning Rod Co., and son, were in town yesterday on business. He has spent the summer in Detroit and returned a large amount of business there in his line.

—A most elegant assortment of new dress fabrics, just opened at NEUMAUER BROS., Toledo, O.

Receiver Appointed for the T. & A. R.—The United Iron Company, of Chicago, holders of \$400,000 first mortgage bonds on the Toledo & Indianapolis R. R., made application in the U. S. Court at Cleveland, and yesterday David Robinson, Jr., of Toledo, was appointed receiver for that road. It is feared that those holding orders for labor in the construction of the road will realize little or nothing for their services.

Lecture of Wallace Bruce.—We learn that the members of the C. L. S. C. are setting with liberal encouragement in the sale of tickets for the lecture of Wallace Bruce at the Town Hall next Tuesday evening. This is as it should be. It is much cheaper to patronize a first-class lecture at home than it is to patronize them in Toledo or elsewhere, as the fare will more than pay for the home entertainment. The lady members of the Circle heard Mr. Bruce at Chautauqua some two months ago and were so completely enraptured with his lecture that they have not been content until they could give the people at home a like opportunity. Admission to lecture, 35 cents. Don't fail to go.

Our Public Schools.—The following is a report of the Perryburg Union Schools for the month ending Oct. 25, 1883:

Captured the Wrong Man.—They have a good one on Constable Cook. Crook. He was driving a rig from Cook & Crank. He was driving this place, in pursuit of the horse thieves up in Michigan. The rig answered the description of one recently stolen in Indiana, and for which a Michigan official was in search. He lit right onto Constable Cook and the rig as being just what he wanted and for which he expected to receive a liberal reward in honor as well as money for his vigilance. It required an hour's talking and the exhibition of a number of private documents to convince the Michigan official that Cook was not Crook, but was himself in pursuit of a horse, buggy and harness, stolen from him from Perryburg last Sunday morning.

Another Pioneer Gone.—Mr. John O'Leary, one of the pioneers of Lake township, died at his home in that township on Wednesday morning, after a protracted illness of several weeks, aged 68 years. Mr. O'Leary was born in Ireland, but came to this country and located in Lake township in 1841, where he has resided ever since. Through habits of industry and economy he had accumulated a handsome cash income and he was in the enjoyment of good health and vigor when he was taken to his rest. He was a member of the Methodist Episcopal Church, and was a very active and influential member of the same. He was a man of high character and was highly respected by all who knew him. He is survived by a wife and several children. The funeral services took place at St. Rose de Lima Church at 10 A. M. to day. Father Gries officiating, after which the remains will be taken to Toledo for interment.

Let Us Have Light.—In passing through Tontogany on Monday night we noticed that every lamp was burning and the town was handsomely illuminated, equal in fact to the streets of a city where gas is in use. On reaching Perryburg we found all darkness and gloom, and had to grope our way through the streets. The train men called the town after a residence of eighteen consecutive years. Is it not true that the Council take some definite action to remedy this? The lamps were erected in good faith by private citizens several years ago, under the promise and after an ordinance had been passed guaranteeing that they would be furnished and lighted at the expense of the corporation. It is not keeping good faith with those who erected lamps, and it is not creditable to the enterprise of our citizens to allow the town to drift back into the dark ages for the want of stamina to enforce the ordinances passed. Let us have more lamps and have them all lighted on all dark nights.

Horse, Buggy and Harness Stolen.—About 2 o'clock on Sunday morning last a thief, or thieves, stole from the barn of Peter Witzler in this place a chestnut sorrel horse, about 14 hands high, white shirt, white strip on left shoulder, and long travel. On securing the horse proceeded to the barn of Dr. H. A. Hamilton and took therefrom a new top buggy, Milburn make, white chopper box and engraving; also new harness, gold trimmed. Had road wagon pad on backband, gray blanket and new whip. Constable George Crook, Marshal Hayes and Mr. Witzler started in pursuit and tracked the thieves as far as Adrian, Mich., where two men, the horse and rig, had put up and fed but a few hours before the arrival. Fresh horses were secured and the pursuit was continued as far as Jackson, Mich., without tidings of the thieves after they left Adrian. The officers and Mr. Witzler returned home yesterday. Marshal Hayes says he feels under special obligations to W. W. Burch, proprietor of the Commercial House, and Deputy Sheriff Gibbs, of Adrian, Marshal Campbell, of Brooklyn, and to Chief Burkhardt and Lieut. Rawson, of Jackson, for kind counsel and assistance at their command in the use of telephone, etc., to aid them in their search.

—For Jewelry, Watches and Clock of all kinds, and Repairing, call on John Zurich, 35 Monroe Street, Toledo, and he will also keep on hand at the old stand in Perryburg, Chicago, Music Instruments, Springs, Spectacles, etc., where orders for Repairing may be left and all warranted.

Family Flour.—Mr. C. G. Johnson here, who has lately become a resident here, whose Flouring Mill is in Michigan, has established a Depot for the sale of his flour at the Store of E. L. KINSBURY, where a supply of Family and Patent Flour will be kept. The public are respectfully invited to give the Flour a trial.

A Great Bargain!—Six hundred dollars, in cash, will buy my two story, ten room house, with a full size lot, on Second Street, Perryburg, within a block from the street and business center of town. Also furniture for sale cheap. Inquire of Mr. O. D. Hopkins.

MRS. J. H. SPAFFORD.

THE HERO OF CHICKAMAUGA.

TO GEN. JAS. B. STEEDMAN.
The martial hosts were gathered round the funeral bier,
And hearts hardened by battle now softened in tears.
For to the council chamber a mighty General
Brave "Old Chickamauga" whom battle ne'er
Who stood upon the battle field when shot fell thick and fast,
Who feared not death or danger had fallen, yes at last!

Unfaded above his coffin is the flag he served so well,
Drooping there at half mast the mournful tale to tell.
Around him are his comrades, the few that yet remain,
That fought side by side with him upon the bloody plain.

The veterans of the hero, whose warfare now is over,
Will tell you of his comrades upon the other shore.
When the death angel hovered above the General's cot,
